

## **List of Technical Requirements**

REHEARSAL - Janelle may require rehearsal time in the performance hall on the day of the concert. The rehearsal space is requested for a minimum of three hours prior to the venue doors opening to the public for the performance.

PIANO - a piano in good condition and tuned the day of the performance at A=440 Hz. Janelle requests that this piano be made available to her for rehearsal during the date of the performance. An adjustable piano bench will also be required.

PAGE TURNER - a page turner will be required for the performance. The page turner must be able to read music and should be available to discuss the repertoire with Janelle 30 minutes prior to the concert.

LIGHTING - At the rehearsal, Janelle would like to meet with the performance hall manager or technician to discuss the sound and lighting for the concerts.

SOUND - one vocal microphone with adjustable mike stand for spoken introduction purposes only. This is required only if the size of the concert venue warrants it.

BACKSTAGE - Janelle would appreciate light snacks; a water kettle and tea; and bottled water before and during the concert.

DRESSING ROOMS - ONE dressing room with convenient access to backstage. Room should be clean and convenient to restrooms with cold and hot running water. A garment steamer would be appreciated.

FRONT OF HOUSE/MERCHANDISING - Janelle may wish to sell recordings during intermission and following the concert. A small table for set-up and a volunteer to sell them would be appreciated.
